III. Post Election Debrief – What it means for Building Contractors

Turkstra/Etchen

- What the narrow margins in Congress means for this administration.
- Tariffs are going to be a major part of the new administration's policy toolbox in a way it hasn't in decades. What steps are you taking to proactively to prepare for tariffs?
- What expected impacts are you anticipating? Do you welcome these or nervous about supply chain disruptions?
- What preparations are you taking to prepare for the repeal of TPS/H2-B/DACA and the impact it could have on the workforce?

IV. New Business/Closing Remarks

Forbes
