

AGC's

91ST

Annual Convention & Pavilion

Dare to Challenge, Dare to Change

MARCH 17-20, 2010 | ORLANDO, FLORIDA

AGC's Annual Convention in Orlando, March 17-21, will get you ready to tackle the toughest conditions 2010 will throw your way. You can't afford to miss this four-day event packed with presentations and networking opportunities that will play a critical role in your 2010 success, including:

- 30+ programs offering continuing education units (CEUs) covering topics from BIM to green to labor management (*see back for details*).
- Insight and opinion on the economic challenges the construction industry will face in 2010 and how to navigate the year ahead.
- Keynote speakers such as Captain James Lovell and Gene Kranz of the Apollo 13 mission, Hall of Fame Golfer Lee Trevino and Ken Schmidt, who helped turn Harley-Davidson into one of America's most powerful brands.

Early-Bird Registration Ends January 31

Don't miss your opportunity to save \$200 on both platinum and standard registration. Register today at <http://convention.agc.org>.

Come a Day Early for AGC's Pre-Convention Programs – *Space is Limited!*

AGC will be hosting three full-day programs on March 16, the day before convention opens. *Separate registration is required.*

- BIM 101: An Introduction to Building Information Modeling (*CEUs offered*)
- Building to LEED-NC: Overview and Impact on Construction Practices (*CEUs offered*)
- Federal Government Contracting: Understanding Opportunities, Performance Requirements, Documentation and Compliance Issues

Bring the Family to Florida

AGC's Annual Convention will take place at the Orlando World Center Marriott Resort & Convention Center. This world-class location includes a championship-caliber golf course, six swimming pools and award-winning restaurants. Located just minutes from Disney World, SeaWorld and Universal Studios, the resort is the perfect location for both the business side of Convention and a Winter escape for your family.
